The screenshot displays a Windows 10 desktop environment with three open applications:

- Terminal (MINGW64):** Shows the execution of the following commands:

```
EST-IKIAM+0504094574@LAB-C-E6 MINGW64 ~  
$ echo "Chavez, Daniela" >Documents/lineas.docx | ls -lh Documents/CSB-master/unix/data/Saavedra2013 | wc -l >>Documents/lineas.docx  
EST-IKIAM+0504094574@LAB-C-E6 MINGW64 ~  
$
```
- File Explorer (Documentos):** Displays the contents of the 'Documentos' folder. The 'lineas' file is highlighted, showing it was modified on 6/5/2022 at 14:50. The table below summarizes the files shown:

Nombre	Fecha de modificación	Tipo
CSB-master	28/1/2019 10:53	Carpeta de archivo
lineas	6/5/2022 14:50	Documento XML

- WordPad (lineas - WordPad):** Shows the text 'Chavez, Daniela' followed by the number '60' on a new line.

The Windows taskbar at the bottom shows the search bar, task view button, and several pinned applications including Edge, File Explorer, and WordPad. The system tray indicates a temperature of 24°C, light rain, and the date/time as 15:02 on 6/5/2022.
